COMPETITION ENTRY TERMS & CONDITIONS

Competition is open only to legal residents of the UK and Ireland who are between the ages of six and 14 at the time of entry (referred to as the 'entrant'). Employees of Creature Media, National Geographic Society, the prize providers, their affiliates and subsidiaries, and their immediate family members (spouse, parent, child, sibling and their respective spouses, regardless of where they live) or persons living in the same households of such individuals, whether or not related, are not eligible to enter or win a prize.

Entries must be emailed by the entrant's parent or guardian to photocomp@ngkids.co.uk – each photograph must be between 1 megabyte and 5 megabytes in size, must be in JPEG format, and must be at least 1,600 pixels wide (if a horizontal image) or 1,600 pixels tall (if a vertical image). Digital entries need not be taken with a digital camera; scans of negatives, transparencies, or photographic prints are acceptable. Original transparencies and negatives, or in the case of digital images a minimum 12.7cm x 17.8cm (5"x7") 300dpi JPEG of the winning photographs must be available so they can be published. Photographs taken with digital camera or conventional films are eligible. Minor burning, dodging and/or colour correction is acceptable. Cropping is acceptable, as are fish-eye lenses. Any changes to the original photograph not itemised here are unacceptable and will render the photograph ineligible for a prize. Photographs must be taken not more than one year before the date of entry. Limit one entry per entrant per category. The competition entrant must be the photographer.

NB: By emailing their child's entry to the competition email address, the entrant's parent or guardian is giving permission for their child to enter the NG KiDS Photography Competition 2018 and for National Geographic Kids to contact them in the event of their image being longlisted. Winning images will be printed in the magazine and winners may be required to take part in promotional activities. All other entries will be erased once the winners are chosen to protect privacy.

The closing date for competition entries is 23:59 (GMT) on 28 August 2018.

Winners will be notified by 17 September 2018.
